

Easily transport gas cylinders around your workplace with this cylinder trolley, designed for lifting or wheeling cylinders with convenience.

This versatile trolley can accommodate cylinder sizes from 180mm to 305mm in diameter and includes steel link retaining chains for secure cylinder handling.

Featuring large solid rubber wheels for smooth movement and a lifting eye for effortless attachment to overhead crane or lifting gear, this trolley ensures easy maneuverability.

Rest assured of its safety and quality as the cylinder trolley is 'CE' marked, fully tested, and supplied with a Certificate of Conformity for Health & Safety Regulations.
